

Remote display ABC/CPC, 20 m cable

Mounting plate with 3-colour LED for status indication with 20 m cable.

// Kompatibel mit allen Ladegeräten ABC und CPC
// Compact lightweight
// Easy assembly and installation
// Waterproof according to IP67

The remote display ABC/CPC with built-in display shows the operating status of the charger via a 3-colour LED. It is compatible with all chargers ABC (except 3.2 kW series) and CPC.
