PowAirBox A Coupling - 230 V, 10 m

Completely equipped, pre-assembled coupling socket with combination cable for PowAirBoxe type A.

- // Pre-assembled cable
- // Coded to the required nominal voltage (12 V, 24 V and 230 V)
- // Available with and without compressed air
- // Einfache Installation

Coded PowAirBox coupling for PowAirBox supply units with and with compressed air.

Technical Information

Cable length	10 m*
Compressed air	Yes*
Nominal voltage	230 V*
Dimensions (L x W x H)	10000 x 0 x 0 mm
Weight	2.96 kg

*In the chosen option
